

Fronter Training Package

Primary and Special Training C

This Primary/Special School training package consists of the following 6 elements:

- 1) half day consultant visit to discuss the implementation plan for the school with the senior leadership team and the potential impact that the development will have
- 2) up to three staff attend a centrally based training day in using Fronter for teaching and learning*
- 3) up to three staff attend a centrally based training day in Fronter administration*
- 4) two half day visits to your school to follow up issues, provide further guidance and support the embedding of Fronter within the school
- 5) 1 day centrally provided update course in year 2 for a designated member of staff
- 6) access to facilitated Fronter user group sessions which are planned to take place at least twice a year.

*It is recommended that the Fronter lead practitioner and Fronter administrator attend both of the courses.

Additional Training

Further Fronter support and training will be available to schools at standard traded rates for Surrey schools.

Please contact Ingrid Lucas, ingrid.lucas@vtplc.com if you wish a member of the VT Four S ICT Team to contact you about any aspect of the training.
